SUMMARY

- Displaying a curious mindset and a creative approach to applying computing techniques to explore novel areas within physics research.

- Active participation in physics-related clubs, computing societies, or research groups, further enhancing knowledge and skills in both disciplines.

- Demonstrated organizational skills and effective time management, balancing coursework, laboratory work, and research projects.

- Open to exploring opportunities to collaborate in the Innovative Agriculture Development / Information Technology/ IOT systems/ Telecommunication areas with organizations.

SKILLS

- Team Collaboration
- Research Enthusiasm
- Computing Skills
- Communication Skills
- Problem-Solving

EXPERIENCE

Freelancer Graphic Designer

Wickstudio *Jan 2017 - 2020*

Worked as a Freelancer Graphic Designer providing creative design solutions to various clients across diverse industries.

Adapted to evolving design trends and technologies, continuously enhancing skills to deliver cutting-edge and relevant design solutions.

Steel Bender

Build To Last Construction Limited *Feb 2020 - Present*

Demonstrated expertise in bending and shaping steel reinforcement bars (rebars) according to engineering specifications and blueprints.

Collaborated closely with the construction team, interpreting drawings and communicating effectively to meet project requirements and deadlines.

PROJECTS

The Study of Some Ghanaian Local Measurement Unit and Conversion to Standardized metric Unit

Student *Jun 2023 - Aug 2023*

Local unit conversion and standardization - Identified and examined some Ghanaian local units conversion factors using quantitative analysis.

EDUCATION

Certified Cissco Network Associate - CCNA
Advanced Information Technology Institute *Jun 2017 - Sep 2018*
System, Networking, and LAN/WAN Management

BSc Physics
Kwame Nkrumah University of Science and Technology, Kumasi - Ghana *Oct 2019 - Present*

Software Engineering
ALX Africa *Jun 2023 - Present*

CERTIFICATION

Understanding Research Methods
Coursera *2023-05-12*
Certificate Awarded for completion for Understanding Reseach Methods
